Re: Failure to Submit Discharge Monitoring Reports (DMRs)
TN006990 BMJ Stone Company, LLC
TN0069906 BMJ Stone Processing Plant
TN0069949 BMJ Stone Bickford Quarry

Dear Mr. Rector:

Discharge Monitoring Reports (DMRs) for the first quarter 2016 have not yet been received for the three BMJ permits listed above. The NPDES permit program relies heavily on facility self-reporting. Failure to submit DMRs and/or late submittal of DMRs is a violation of the NPDES permit. Each parameter constitutes a separate violation for each bi-monthly reporting period.

Please send original signature DMRs by May 20, 2016 to TDEC Knoxville Field Office, 1311 Middlebrook Pike, Knoxville, TN 37921. Also, please mail photocopies to Cookeville EFO, address above, or submit copies electronically to sharon.kington@tn.gov no later than May 20, 2016. Please call Sharon Kington or Jeff Patton at (931) 432-4015, if there are questions.

Respectfully,

A handwritten signature in blue ink, reading "Johnny K. Walker", followed by a horizontal line.

Johnny K. Walker, Program Manager
Division of Water Resources, Cookeville Environmental Field Office
